Registered bank accounts may also be used for verification of pay-ins (i.e. receiving of subscription funds) to ensure that a third party payment is not used for mutual fund subscription. The default bank account will be used for all dividends and redemptions payouts unless Unit holder(s) specifies one of the existing registered bank account in the redemption request for receiving redemption proceeds. However, in case Unit holder(s) do not specify the default account, the Mutual Fund reserves the right to designate any of the registered bank accounts as default bank account.

New bank accounts can only be registered using the designated "Bank Accounts Registration Form". If Unit holder(s) provide a new and unregistered bank mandate or a change of bank mandate request with specific redemption/ dividend payment request (with or without necessary supporting documents), such bank account will not be considered for payment of redemption/ dividend proceeds, or the Mutual Fund withhold the payment for upto 10 calendar days to ensure validation of new bank mandate mentioned.

Any request without the necessary documents will be treated invalid and will not be acted upon and any financial transaction, including redemptions, will be carried with the previously registered details only. Valid change of bank mandate requests

with supporting documents will be processed within ten days of documents reaching the head office of the Registrar and any financial transaction request received in the interim will be carried based on the previously registered details.

Investors are requested to note the following with respect to the Multiple Bank Registration Facility:

1. Bank registration/deletion request from Unit holder(s) will be accepted and processed only if all the details and necessary documents are attached. The request is liable to be rejected if it is not filled completely and in case of any ambiguous/incorrect/incomplete information.
2. The first/sole Unit holder in the folio should be amongst any one of the bank account holders. Unit holder(s) cannot provide the bank account(s) of any other person or where the first/sole Unit holder is not an account holder in the bank account provided.
3. Unit holder(s) need to attach any one of the following mandatory documents in original, in respect of each bank account for registering the bank accounts, failing which the particular bank account will not be registered. This will help in verification of the account details and register them accurately.
 - Cancelled cheque with name and account number pre-printed
 - Bank Statement
 - Certified Copy of Pass book
 - a. If the document is not in original, the copy should be certified by the bank or the original document should be produced for verification.
 - b. All documents submitted should clearly evidence the bank name, account number and name of all account holders.

 - c. If Unit holder(s) provides a new bank mandate or a bank mandate which has not been previously registered with a specific redemption request (with or without necessary supporting documents) such bank account will not be considered for payment of redemption proceeds.
7. The registered bank accounts will also be used to identify the pay-in proceeds. Hence, Unit holder(s) are advised to register their various bank accounts in advance using this facility and ensure that payments for ongoing purchase transactions are from any of the registered bank accounts only, to avoid fraudulent transactions and potential rejections due to mismatch of pay-in bank details with the accounts registered in the folio.

8. The benefits stated herein have been reviewed and certified by M/s. G.M. Kapadia & Co. Kapadia & Co do not make any representations on the procedures for ascertaining the tax benefits nor do they make any representation regarding any legal interpretations.

THE FOLLOWING INFORMATION IS PROVIDED FOR GENERAL INFORMATION PURPOSES ONLY AND APPLIES TO THE SCHEME. IN VIEW OF THE INDIVIDUAL NATURE OF TAX BENEFITS, EACH INVESTOR IS ADVISED TO CONSULT HIS OR HER OWN TAX CONSULTANT WITH RESPECT TO THE SPECIFIC TAX IMPLICATIONS ARISING OUT OF HIS OR HER PARTICIPATION IN THE SCHEME.

A. TAX IMPLICATIONS TO UNIT HOLDERS

1. Income-tax Act, 1961 ('the Act')

(i) Income from units

As per section 10(35) of the Act, income received in respect of the units of a Mutual Fund specified under section 10(23D) of the Act, is exempt in the hands of the unit holders.

(ii) Capital gains

(a) Long-term capital gains

Under section 2(29A) read with section 2(42A) of the Act, units of the Scheme held as a capital asset are treated as a long term capital asset if they are held for a period of more than twelve months preceding the date of their transfer.

From the full value of consideration, the following amounts should be deducted to arrive at the amount of long-term capital gains:

- Cost of acquisition as adjusted by the cost inflation index notified by the Central Government in the Official Gazette; and
- Expenditure incurred wholly and exclusively in connection with such transfer.

The additional units issued under the 'Reinvest Dividend' under Option available in the Scheme and held as capital asset would get the benefit of long-term capital gains tax if sold after being held for more than one year. For this purpose,

one year will be computed from the date when such additional units are allotted.

Under section 112 of the Act, capital gains arising from transfer of a long term capital asset being listed securities or units or zero coupon bond (as defined therein) in case of both resident and non resident investors will be taxable at the rate of 10 percent without indexation or 20 percent with indexation, whichever is lower (plus applicable surcharge and education cess). No indexation benefit is however, available in computing long term capital gain arising from the transfer of a long term capital asset being bond or debenture other than capital indexed bonds issued by the Government.

As per the provisions of section 115AD of the Act, long-term capital gains arising to Foreign Institutional Investors ('FI'), on sale of units would be taxed at 10 percent, without indexation of cost of acquisition.

Further, where in case of an individual or an HUF, being a resident, the total income as reduced by such long-term capital gains is below the maximum amount which is not chargeable to income-tax, then such long-term capital gains shall be reduced to the extent of such shortfall and only the balance of the long-term capital gains will be subject to the flat rate of taxation for long-term capital gains.

As per section 10(38) of the Act, long term capital gains arising on the transfer of units of equity-oriented funds (refer note) on which the Securities Transaction Tax (ST) has been paid [refer sub-para (iv) below] are exempt from income tax. (Note: Equity-oriented fund means a fund, (i) where the investible funds are invested by way of equity shares in domestic companies to the extent of more than sixty five percent of the total proceeds of such fund; and (ii) which has been set up under a scheme of a Mutual Fund specified under clause (23D) of section 10 of the Act). [However, in case of company such income will be considered in computing Minimum Alternate Tax (MAT) under section 115JB of the Act].

The above rates are subject to applicable Double Taxation Avoidance Agreement ('DTAA') benefits.

(b) Short-term capital gains

Units of the Scheme held as a capital asset for not more than twelve months preceding the date of their transfer are short term capital assets. Capital gains arising from the transfer of short-term capital assets will be subject to tax at the rates applicable to residents / NRIs / PIOs / FIs. The following rates are applicable to resident individuals and HUFs/NRIs/PIOs:

Slab	Tax rate (plus education cess)*
Total income not exceeding Rs 180,000	Nil
Rs 180,000 ~ not exceeding Rs 500,000	10 percent of excess over Rs 180,000
Rs 500,000 ~ not exceeding Rs 800,000	20 percent of excess over Rs 500,000 plus Rs 32,000
Exceeding Rs 800,000	30 percent of excess over Rs 800,000 plus Rs 92,000

*For resident women assessee and resident senior citizens, higher exemption will be applicable. FIs are chargeable to tax on short-term capital gains at the rate of 30 percent. Domestic companies are chargeable to tax on short-term capital gains at the rate of 30 percent.

As per section 111A of the Act, short term capital gains arising on the redemption of units of equity-oriented mutual funds [on which ST has been paid – refer sub-para (iv) below] are taxable at rate of 15 percent (plus applicable surcharge & education cess).

However, in the case of an individual or a Hindu undivided family, being a resident, where the total income as reduced by such short term capital gains is below the maximum amount which is not chargeable to income tax, then, such short term capital gain shall be reduced by the amount by which the total income as so reduced falls short of the maximum amount which is not chargeable to income tax and the tax on the balance of such short term capital gains shall be computed at the rate of fifteen percent (plus applicable surcharge & education cess).

The above rates are subject to applicable Double Taxation Avoidance Agreement ("DTAA") benefits.

(c) Avoidance of tax by certain transactions in securities

As per section 94(7) of the Act, losses arising from the sale/transfer of units (including redemption) purchased up to 3 months prior to the record date and sold within 9 months after such date, will be disallowed to the extent of income distribution (excluding redemptions) on such units claimed as tax exempt by the unit holder.
